 - Cyber Security
- Fun Fact
 - I own an Alto Saxophone and have 10 years of experience (just don't ask me how long ago)
- What's the best class you ever took? Why?
 - Essentially a C++ (computer language) course; the final project was building a videogame
- What's your favorite book?
 - The Lost Years of Merlin Series (can't pick a specific book; need the whole story)
- What's your least favorite food?
 - pickles
- What's the worst job you ever had? Why?
 - Wal-Mart; the amount of personal care you may expect from a multinational corporation but with the staffing of a small-town 7-11
- If your life had a soundtrack, what would your theme song be?
 - Ed Sheeran - Perfect
- What's your favorite PTK memory (so far!)?
 - I ALMOST said I haven't made any yet because I joined earlier this year, but CLEARLY I should say being selected for this position for which I am not terribly well-qualified. I'm grateful for the amount of faith and hope not to disappoint.
